Here are some common kitchen layouts examples, while your kitchen may not look exactly like any of these, but they will give you an idea of the information we need.

Standard depth of kitchen cabinets is 24 inches. Standard overhang for countertops is 1 ½". Standard countertop depth is 25 ½"

All Elite granite countertops come with your choice of one of these two free edge finishes. We also have others available at competitive rates.

Eased and Polished

Bevel

Please remember when you draw your countertops on the grid to include all dimensions in inches and to mark the center of your sink, range, dishwasher and refrigerator.
